

## Resolution Changing the Number of Election Inspectors

Resolution: 2024-1

STATE OF WISCONSIN

Town of Plymouth

Rock County

Section 7.32, Wis Stats., allows a municipal government body to reduce the required number of election officials at a polling place from (7 to 5 in a municipality where voting machines are used) to no less than 3, and the town board has determined that it would be advantageous to the town to have only as many election officials on duty as are needed for a given election.

Therefore, the Town Board of the Town of Plymouth, Rock County, Wisconsin, by this resolution, adopted by a majority of the town board with a quorum present and voting and proper notice having been given, resolves and declares as follows;

There shall be a minimum of 3 election officials on duty at every election. At the discretion of the town clerk or designee, the requisite number of election officials may be increased for any election. However, the number of election officials working at a given election shall always be an odd number.

The town clerk shall properly post this resolution as required under s. 60.80, Wis Stats.

Adopted this 12 day of March 2024.
